## A&N PROPERTY

A&N Property OOD is a Bulgarian specialist company for revitalisation of real estates with its headquarters in Plovdiv. Our aim is to deliver innovative and sustainable solutions by a comprehensive consultation of our clients in all project phases, from the inception to the realisation.

Our range of services includes:

- & Project development
- & Cost management
- & Project management
- & Construction management
- & Health & Safety engineering
- & Architectural design
- & Structural design
- & HVAC & Electrical design

During our many years of experience in revitalisation projects, we gained the required know-how in order to solve all kinds of problems.

Our mission is to create the new with future-oriented prospects, to give rise to changes without leaving worth proved concepts.
